COMMENTS:

On July 15, 2003, we filed a utility application with a request for Nonpublication. On October 8, 2003, we filed a Resolution of Previous Nonpublication Request and Notice of Foreign Filing. On December 1, 2003, we received the filing receipt for the above mentioned US Application, which acknowledged the Nonpublication Request.

Attached please find a duplicate copy of the Resolution of Nonpublication and Notice of Foreign Filing. We understand the delay in processing the filing receipt was due to a backlog of incoming applications and that a new filing receipt will be generated when the attached paperwork is matched.

I appreciate your assistance in verifying that the Resolution request has been received. Should you require any further information, please do not hesitate to contact me.
